About Calm Waters

Founded in 1992, Calm Waters Center for Children and Families is a nonprofit organization dedicated to helping children, adults and families in their grief journey after a death, divorce or other significant loss by providing FREE support groups at our center and in schools, private counseling and consultations, co-parenting seminars, workplace crisis services and community grief trainings.

Our research-based curriculum is designed to encourage our clients to share their experiences in a safe environment as they process grief and navigate feelings such as sadness, loneliness and anger.

OUR MISSION

to help children and families in their grief journey caused by death, divorce or other significant loss

Layne(9)

Amberly and Ethan (11)

Lilly (5)
lost her father

Our Growth

Since moving into our beautiful center in Midtown Oklahoma City in November of 2020, Calm Waters has grown so rapidly that we have already had to expand our space. By leasing out an additional suite adjacent to our original center, we now have suites dedicated specifically to our Grief and Divorce Support Groups and our Counseling Clinic.

Our growth in the past two years has been incredible, and we are anticipating serving exponentially more clients in the next two.

We invite our community to join us in serving Oklahomans in grief by providing vital mental health care in efforts to prevent traumatic loss from creating life-long chronic mental and physical health conditions.

Calm Waters was there for Abbie, pictured above, when she didn't know how to tell her son Layne his father had died by suicide. Calm Waters has been there for her family ever since.
